## Confirm Printed Paper Size

**1. Ring measurements are very precise.** Carefully follow these instructions to obtain an accurate measurement.

**2. Prior to printing,** ensure that Page Scaling is set to "None" on your print dialog box. (To open the print dialog box, press CTRL+P)

**3. Measure the bar on the left.** It must be exactly 1 inch or 30 mm long. Alternately, place a quarter where indicated. The quarter should fit completely over the image so that all lines are covered, without the quarter hanging over any edges.
